

Phillips' New Year thoughts!

So it's all over, the festivities, the fun and the food. A wonderful New Year for all of us to think about New Years resolutions and keep them for approximately 1 day. Every year I give up eating chocolate etc. Yeah it lasts a day. Anyway, I hope you all had an absolutely fabulous Christmas and Happy New Year.

We of course have a whole host of wonderful things for you to enjoy and of course your furry friend, so make sure you browse page 4 to find all the available courses and links.

We had so much fun on our Client Christmas party. A fair few of you came and joined us and I honestly had the best time. We really appreciate you all joining us and listening to my drivel commentating. In fact I had so much fun I'm thinking of organising an Easter Egg hunt. I can already see Karen rolling her eyes at me.

All classes held at our secure field in Shere, Surrey
Book at www.HKMDogs.com

We would love to welcome on board a two new fabulous sponsors. They will be working with us throughout the year and they will be sharing information and offers as and when. Welcome the Surrey Family Vets & CM Spittle Property Services Ltd.

The Coffee Van has probably had its best month yet. All our lovely clients have well and truly helped keep us going with all your coffees and sausage rolls. So another big thank you to everyone who continues to support the van as well as the dog training.

The cranberry sausage rolls have a huge hit and were actually really quite tasty. We have a few new tasty treats coming to the van in the New Year, including a protein flapjack for those of you who want to stay on a healthy vibe.

December Awards

Suzanne & Tiffany, Nadine & Teddy, Carol & Summer, Alex & Peggy CHW Level 1. Kim and Fern & Teazel CHW Level 3

WHAT'S COMING NEXT

We honestly have lots of courses for you guys to get your teeth stuck into. Just one example has been the hugely successful course we have had on offer with our fantastic physio Leah.

These have been received so well by our clients and their older dogs. We are currently trying to persuade Leah to come and do a sports dog conditioning course as well. The difference between the beginning and the end of the course for Spot has been significant and he is much happier and less wobbly! There are only 3 dogs per class and we currently have a waiting list, so please let us know if you are interested.

We also have the fabulous IMDT Partnership Grades course with Carrie - Anne that I would also thoroughly recommend. A much better and more structured version of the Kennel Club Good Citizen scheme. It is a set of six progressive, non-competitive dog training awards (Levels 1-6) designed to strengthen the owner-dog bond through fun, practical skills like loose lead walking, recalls, scent work, and handling, culminating in certificates and rosettes for each level, focusing on positive reinforcement and teamwork rather than stressful testing.

Please make sure that you book all your January courses as soon as possible to ensure that you get your spot. If there are any spots left after the courses start then they will be offered at a PAYG rate, but this will be more expensive, and only available if there are free spaces.

Please let us know if you need any help with booking anything, or any further info.

A little get to know the trainers

Each month we are going to do a little fun interview type thing for you get to know the trainers a bit better and then we would love some of our regulars to get involved (we already have some firm favourites, be ready for me to come to you :-)) if you have any questions you would like to ask any of us, then let us know.

This month is all about Miche!

Favourite Breed: Staffordshire Bull Terrier

Favourite Dogs Sports: Flyball of course!!

Dogs: Moosh (the loudest old man around) and Munchie (the feral ferret)

How many dogs owned over lifetime: 7 - only two of them didn't have any staffy in them and let's not talk about Polo, the naughtiest Cavalier King Charles.....

Favourite Colour: Red (even though it clashes with my hair....)

Teaches: Flyball, more flyball and the weekday morning hoopers class - although these days you can mostly find me in the coffee van...

Random Fact: I have a strange obsession with all things Batman (and The Joker, but only the Heath Ledger version.....don't get me started on Jared Bloody Leto)
